Dear Mr. Kimbrough:

Thank you very much for joining me at the Job Seekers Boot Camp on April 8th, 2010. Opportunities like this to directly assist the people of Southeast Michigan are incredibly important in these difficult times, and your willingness to take time out of your busy schedule to do so speaks highly of both you, and the Sensible Busines Consulting Group's, commitment to the people in Michigan who have been hit hardest by this economic downturn.

I am under no illusion that the advice and counsel you provided for the attendees was limited to that day's event; the work you consistently and admirably perform daily is an invaluable service to my constituents in the 15th Congressional District and to the region, as a whole. It is my hope that your participation in this event helped to highlight the valuable work that you are already doing for the displaced workers of Southeast Michigan and assisted in spreading that assistance to those most in need of it.

Again, I wish to thank you for being such an integral part of a successful event. Each individual that we were able to reach together left the room with more knowledge than when they entered, more confidence as they departed, and most importantly, with more hope to sustain them as they faced the next day. I am very appreciative of all you did to make the Job Seekers Boot Camp a success and I hope you will not hesitate to call on me or my office should I be able to be of any help to you or the Sensible Busines Consulting Group in the future.

With every good wish,

Sincerely,

John D. Dingell
Member of Congress
